COMPETITION CREW AUDITIONS

Tuesday, May 24th, 2022

Ages 5-10 6-7pm

Ages 13-18 7:10 to 8:10pm

Our award-winning competition crews are created for hip hop dancers that only want to dance hip hop!

Our crews are chosen by auditions on May 24th. Crew placement will be announced and begin in the summer with conditioning and will attend at least one workshop.

Crews perform at 3 to 4 regional competitions February through May, 2023 in the Omaha area, we do not travel to other states, we feel Omaha has an excellent selection of competitions that come to our area. We do not attend conventions because we have yet to find one that is hip hop exclusively.

We offer several competition crews, and dancers will be placed according to skillset. Crew selection varies from year to year based upon dancers trying out. Here is a list of leveled crews dancers may be placed in.
